

Course Rep Student Feedback Questionnaire

Please provide as much feedback as you feel able to. It is not compulsory to complete all questions. Your answers will be anonymized, and you do not need to disclose any personal contact details.

Many thanks from your Course Reps!

TOPIC: Assessment and Feedback

QUESTIONS:

- Do staff provide timely feedback on your work?
- Do you find this feedback useful?

TOPIC: Teaching and Learning

QUESTIONS:

- Did you encounter anything you didn't anticipate?
- Are there any changes you think should be made?
- Do the expectations of students, learning outcomes and course content match-up?
- What do you think of the teaching quality?
- Is there clarity and transparency of learning outcomes?

TOPIC: Course Organisation and Management

QUESTIONS:

- Have you had any problems with your timetable? Or does your timetable work well?
- Is there clear communication between students and staff when changes are made?
- Is it easy to find information relating to extensions and extenuating circumstances?
- What is your experience of using Blackboard?

TOPIC: Resources and Support

QUESTIONS:

- Do you have access to resources (book, computers etc.) that you need?
- Do you have access to technical resources (workshops, facilities etc.) that you need?
- Is information about additional course costs shared in advance and explained?
- Are the Universities support services useful?
- Do students know how to access student support services?

OTHER:

Feel free to add any feedback relating to your course that isn't covered by the above topics and/or questions (e.g. experience of college and campus environment, university/SU experience).
