Hi! I am the department rep for Pre-Registration Nursing in the School of Nursing and Midwifery. I attended my department rep training on the St Johns Campus.

I have attended the following meetings in my role as a department rep:

- Rep Forum
- Education Council 1 and 2

### **Rep Journal Entry**

I continue to attend meetings with UoW Student Reps forum, the Education Council, LTQE and NHS Shared-Decision Making Councils. I have now been elected to the RCN (West Midlands) Board and have recently been awarded the UoW Scholarship Award for Academic Excellence.

As a Departmental Rep for TCNM, I am currently drawing up an SU Policy for consideration in February 2025; and as part of this, I am conducting a school wide survey due to be complete 29th Dec 2024. In addition, 5th December, with my fellow departmental representative Emanuele Donkor, will be holding our first course/dept. rep meeting. This meeting agenda is set to include: Feedback,, Assignments; Timeframe; Timetable; Policy package to be put forward and chase up survey completion; Placement and AOB.

This will also offer opportunity for our course reps. to bring forward their ideas for gathering feedback; any identified issues and feedback to date, and any other business they wish to discuss.

I continue to advise as appropriate and sign-post, fellow students and course reps. to receive the support they require.

Student feedback to date, relates to timetabling, parking and feedback loop. As raised at my various meetings attended.
